► Applications Fields

Luxury stores/Museum/Hotel/Art Exhibition/High-end salon

Soft – Creative design

The Soft modules with flexible design to make the ideas come true with more possibilities, the curved angles can be adjusted perfectly according to different applications.

Magnetic design

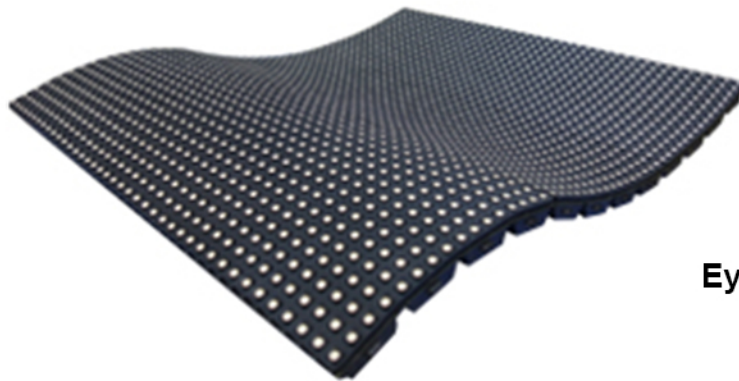

Any curved degree with
smooth surface

Light weight

Eye-catching Performance

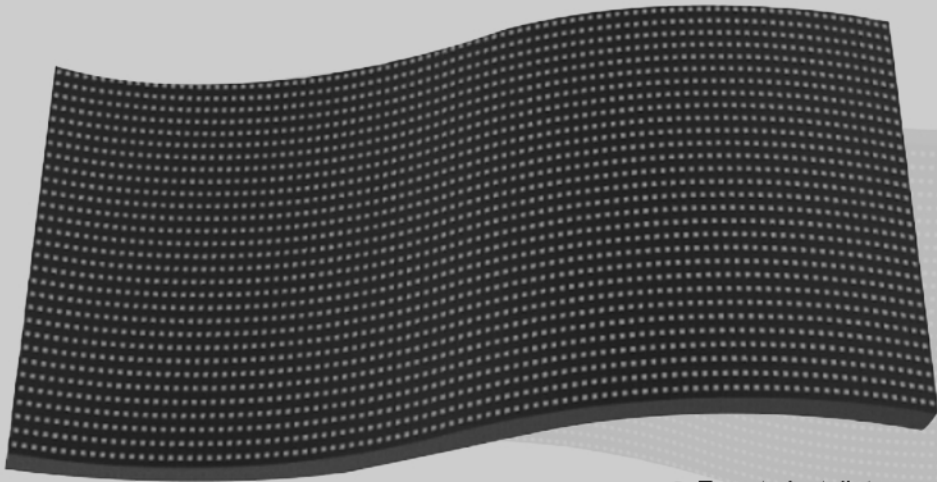

Stunning Visual Performance

Soft create the perfect visual experience with artistic and stunning performance.

Make It Happen

- Easy to install, transport and maintenance
- 360° degree adjustable

► Technical Specifications

Model	P1.25mm	P1.53mm	P1.86mm	P2.0mm	P2.5mm	P3.076mm
LED Type	SMD1212	SMD1212	SMD1515	SMD1515	SMD2020	SMD2121
Module Size (L*H*Dmm)	320 *160 *7.6mm	320*160*7.6mm	320*160*7.6mm	320*160*7.6mm	320*160*7.6mm	320*160*7.6mm
Module Resolution (Pixels)	256*128	208*104	172*86	160*80	128*64	104*52
Pixel Density(dot/m2)	640000	422500	288906	250000	160000	105625
Refresh Rate(HZ)	3840HZ					
Viewing Angle	160°/160°					
Brightness	500-600CD/m²					
Input(V)	110-220					
Ingress Protection	IP43					
Ingress Protection	-35℃ +50℃
